

Feature	Benefit
Compact, small footprint	<ul style="list-style-type: none"> <li>• Slim, low profile design prevents hardware stack-up in vehicle</li> <li>• Space-efficient - fits perfectly under most laptops and does not protrude into the user or vehicle cabin area</li> </ul>
Mounting versatility	<ul style="list-style-type: none"> <li>• Mounts on standard, vehicle-specific or multi-purpose consoles and BaseLine pedestals</li> <li>• Easily installs on flat horizontal surfaces</li> </ul>
Ergonomics	<ul style="list-style-type: none"> <li>• User-friendly design allows for a variety of motions and device positions</li> <li>• Swivel / swing capability with lock-out provides side-to-side positioning of vehicle dock or cradle between driver and passenger</li> <li>• Can be extended 6 inches and allows for adjustment - yet prevents unwanted extension</li> <li>• Tension adjustment offers users the ability to adapt both slide and swing / swivel tension to meet their motion requirements</li> <li>• Multiple tilt options are available: low profile wedge block, standard adjustable tilt, etc.</li> </ul>
Durable, rugged construction	<ul style="list-style-type: none"> <li>• Mousetrap is precision-machined from solid aluminum; unit remains solid and does not rattle / shake in extreme road conditions</li> <li>• Structural components are smoothed through CNC machining; rounded corners and contoured edges offer optimal safety</li> <li>• Finished in high quality black epoxy powder coat for durability</li> <li>• Aluminum offers corrosion resistance and vibration reduction</li> </ul>
Safety features	<ul style="list-style-type: none"> <li>• Built-in latching mechanism will not allow the unit to extend (in the event of an emergency) and will automatically retract - minimizing the chance of injury</li> <li>• Swivel limit adjustment enables the user to select their desired amount of swing / swivel. This feature allows users to limit motion of laptops away from air bag zone, steering wheel and other operator controls</li> </ul>

### Dimensions & Weight

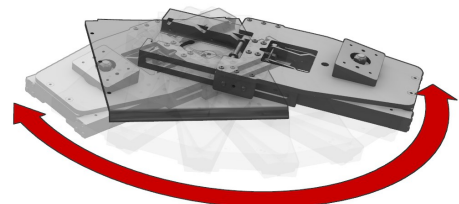

Width	6.0" (15.24 cm)
Height	1.25" (3.17 cm)
Depth	9.0" (22.86 cm)
Weight	4.2 lbs. (1.90 kg)

Squeeze trigger, pull forward  
EXTENDS 6 inches

Push to retract

SWINGS left / right; SWIVELS left / right
