

Covert Antenna Systems

Bumper Step Up Antenna

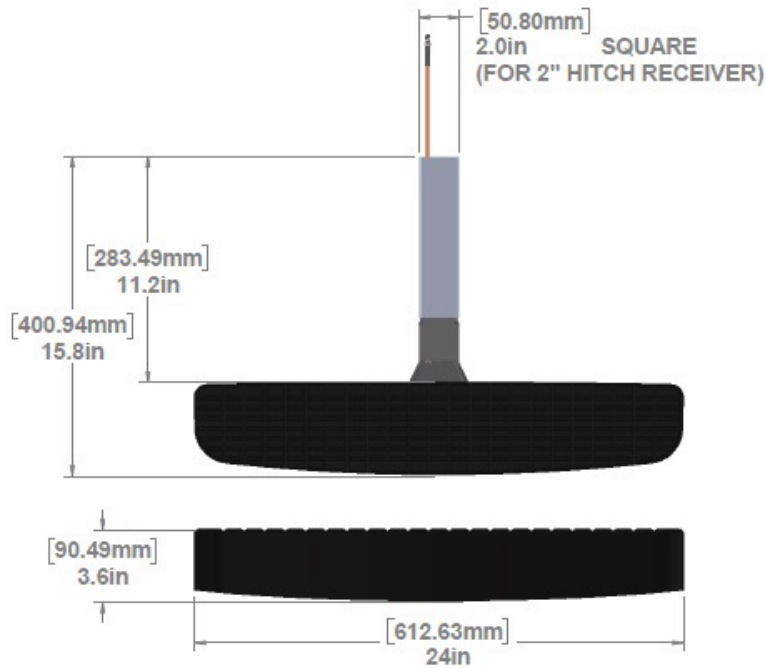

Covert, Durable & Rapidly Deployable

- Avoid drilling holes in leased or rented vehicles
- Designed to fit standard two-inch towing receiver
- Fully functional as a step up
- Locking mechanism included to prevent theft

| MODEL NUMBER | BSAN-SB-VHF |
|----------------------------|------------------|
| Frequency Range (Mhz) | 150-174 |
| Bandwidth (Mhz) | 24 |
| SWR | 2.0:1 |
| Power Rating (watts) | 100 |
| Gain | 0 dBi |
| Impedance (Ohms) | 50 |
| Finish | Black |
| Weight | 6.0 LBS |
| Connector | Customer Defined |
| Mast Material | Copper / Brass |
| Radome Material | Thermoplastic |
| Temperature Range(degrees) | -50 TO +150 |
