

MAGNETIC WIRE PULLER

Easily fish wire and cable behind
walls and enclosed spaces

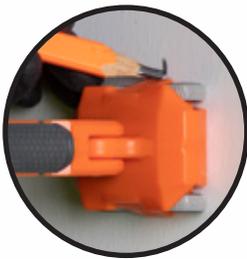

MAGNETIC WIRE PULLER

Magnetic wire puller from Klein Tools quickly and easily fishes wire and cable behind finished walls or enclosed spaces. Connect the wire or cable to the in-wall unit, which consists of a flexible stainless-steel leader and rare-earth block magnet. Simply maneuver the hand-held unit over the outside of the wall while the strong, rare-earth magnets provide great hold for easy wire pulling or fishing.

Hard plastic carrying case securely stores both units

DOUBLES AS A METAL STUD FINDER WITH MARKING NOTCHES ON ALL FOUR SIDES

BOTH HANDHELD AND IN-WALL UNITS FEATURE STRONG RARE-EARTH MAGNETS

180° pivot handle with a comfort grip provides easy control and maneuverability

Marking notches on all four sides

High strength, rare-earth magnets provide strong hold

Easy rolling mar-resistant wheels, reducing marks on finished walls

Flexible stainless-steel leader with eyelet
