

Hard Cap Ceiling Enclosure with Interchangeable Door For Aruba 535 AP

Ventev's 18" x 18" x 2.5" Wi-Fi Hard Cap Ceiling Enclosure with Interchangeable Door provides an aesthetically pleasing and inconspicuous solution to deploy Aruba 535 indoor access points in a drywall, stucco or wood ceiling. The Interchangeable Door allows you to replace only the door for future AP upgrades, saving significant time and cost. *Every Ventev enclosure is covered by the company's two-year TerraNet warranty program.*
