# weBoost Office 200

SMALL BUSINESSES 

**\$2,199.99 CAN MSRP | 652047 (50 OHM) | 651047 (75 OHM)**

- Is a high-performing amplifier solution for improving cell signal in business spaces
- Office 200 provides twice the power of Office 100, covering up to 8,000 sq. ft. for business spaces and up to 15,000 sq. ft. for warehouses
- Provides twice the power and range of Office 100.
- Comes with an LCD touch-screen display for greater control and usability
- Features one indoor antenna and one omnidirectional outdoor antenna
- Includes everything needed for a DIY installation
- Is 5G compatible and improves cell signal on all Canadian carrier networks
- Comes with an industry-leading 3-year warranty

**Target Buyer**

- People experiencing low cell signal in their business.
- Business owners wanting a commercial-grade cell signal boosting solution.
- Those wanting a stronger business booster than the Office 100
