

WIDE CONSOLE ACCESSORIES

Havis is pleased to release a new line of accessory options for vehicle-specific & universal wide consoles. Historically, Havis wide consoles for SUVs & truck applications featured an extra 3.3" wide section of fixed equipment mounting space on the passenger side. This latest suite of accessory options allows users to customize this 3.3" mounting space to personalize their vehicle layout & complements the traditional 9" wide equipment mounting section.

PASSENGER SIDE ARM REST

C-ARM-110

- Improves comfort for dual occupancy vehicles
- Adjustable height up to 6"

FLASHLIGHT MOUNT

C-FLW-3555-STR_FLASHLIGHT MOUNT

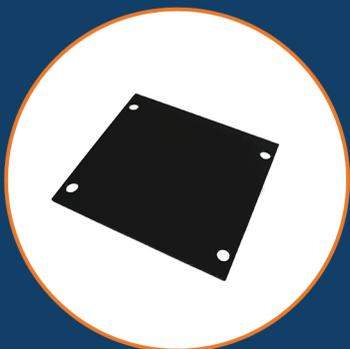

- Fits Streamlight Stinger & charger (sold separately) up to 8.85"L
- Positions flashlight for easy access
- Convenient wire routing

EQUIPMENT BRACKETS

C-EBW85-MMT-1P

- For popular small radios, DVR & other equipment
- Optimizes equipment mounting space & layout

FILLER PLATE

C-FPW-3

- Closes gaps in mounting area
- 1/2" to 5" sizes available in 1/2" increments

ACCESSORY POCKETS

C-APW

- Various lengths & depths
- Can be used for small devices such as laptops & tablets
