

# 7803293 | SFP+, 10GBase CWDM-330, 40km

Small form factor pluggable+ Module, 10G BASE, CWDM, Singlemode

## Product Classification

**Product Type**                      Optical module

## General Specifications

**Input Connector Interface**        LC

**Note**                                      Detailed Product Specifications are available. Please contact your local CommScope representative.

## Dimensions

**Height**                                    12 mm | 0.472 in

**Width**                                    14 mm | 0.551 in

**Depth**                                    57 mm | 2.244 in

## Optical Specifications

**Fiber Type**                              9/125 µm, singlemode

**Wavelength**                            1330 nm

## Environmental Specifications

**Operating Temperature**            0 °C to +70 °C (+32 °F to +158 °F)
