

Recommended Packages

Easy to Order and Easy to Install

Passenger Side Mounting Systems
(PKG-PSM-200 Series shown with additional options)

Console Mounting Systems
(PKG-CON-115 shown with additional options)

Passenger Side Mounting Systems

Havis has created new equipment mounting packages for the most popular vehicle applications. By bundling all of the necessary parts in one SKU we have simplified the ordering process.

These packages work in conjunction with our Docking Stations and Universal Laptop Mounts to create the safest and most comfortable mobile workstations in the industry.

*Packages are complete. Must order as-is. No substitutions.

Easy to order, Easy to Install.

Standard Packages (PKG-PSM-100)

Standard PKG-PSM's include a vehicle specific base plate, heavy-duty pole without height adjust handle, tilt-swivel motion device, and a top offset plate.

- Vehicle Specific Mounting Bases mount to existing OEM seat bolts for easy installation
- Heavy Duty Poles without height adjustable handle include collar only to set fixed height at installation (not user height adjustable)
- Tilt/Swivel motion devices enable 180° horizontal rotation for laptops and docking stations. Used to mount keyboards, laptop mounting plates, docking stations and more to the poles
- Top offset plates allow for strong and comfortable positioning of computer equipment
- See back page for the vehicles Standard Packages are available for.

Premium Packages (PKG-PSM-200)

Premium PKG-PSM's include a vehicle specific base plate, heavy-duty pole with height adjust handle, swing arm motion device with tilt-swivel, and stability support arm.

- Vehicle Specific Mounting Bases mount to existing OEM seat bolts for easy installation
- Height adjustable poles bolt to the vehicle specific base. Precision machined parts eliminate metal-to-metal contact and allow for smooth movement during height adjustment
- Swing arms with motion adapters are ideal for computer usage from both the driver and front passenger seats. Their ruggedized design protects occupants and equipment in quick maneuvers and crash situations
- Stability support arms add upper pole support for premium top level stability and are highly recommended for all HDM applications
- See back page for the vehicles Premium Packages are available for.

Console Mounting Systems

Console Mounting System Packages (PKG-CON) include various products that create the best equipment mounting solution for your mobile office. Filler plates and equipment brackets still need to be identified when ordering.

These packages can also work in conjunction with our Docking Stations and Universal Laptop Mounts to create the safest and most comfortable mobile workstations in the industry.

*Packages are complete. Must order as-is. No substitutions.
