RMK-SDR

19" Rack Mount Kit for Individual SDR Modules

The RMK-SDR kit allows the user to mount individual SDR modules in a standard 19" rack. The SDR module can be deployed without the SDR-NMS. The standalone SDR module applications are perfect for layover applications to augment to existing in-building DAS systems. The RMK-SDR comes with the following parts:

- A. SDR Brackets w/ screws
- B. AC Power Cable
- C. RJ-45 Crossover Cable
- D. Ground Cable
- E. RMK-SDR 19" Rack
- F. Installation Guide
