4.3-10 coupling nut tightening tool

## Product Classification

|                      |                                      |
|----------------------|--------------------------------------|
| <b>Product Type</b>  | Tool                                 |
| <b>Ordering Note</b> | CommScope® standard product (Global) |

## General Specifications

|                    |                            |
|--------------------|----------------------------|
| <b>Application</b> | Torques 4.3-10 connectors  |
| <b>Tool Life</b>   | 50 connector installations |
| <b>Tool Type</b>   | Tightening tool            |

## Dimensions

|                       |                     |
|-----------------------|---------------------|
| <b>Wrench Opening</b> | 22.098 mm   0.87 in |
|-----------------------|---------------------|

## Material Specifications

|                      |         |
|----------------------|---------|
| <b>Material Type</b> | Plastic |
|----------------------|---------|

## Environmental Specifications

|                                 |                                    |
|---------------------------------|------------------------------------|
| <b>Installation temperature</b> | 0 °C to +40 °C (+32 °F to +104 °F) |
|---------------------------------|------------------------------------|

## Packaging and Weights

|                           |                    |
|---------------------------|--------------------|
| <b>Height, packed</b>     | 96.52 mm   3.8 in  |
| <b>Width, packed</b>      | 50.8 mm   2 in     |
| <b>Packaging quantity</b> | 1                  |
| <b>Weight, gross</b>      | 0.08 kg   0.176 lb |
