VenFlex™ Mount

With T-Bar Clip and Swivel Mount Options

Ventev's VenFlex mount enables the mounting of either an access point or an antenna in a variety of ways, including flat wall/ceiling mount, outlet box mounting (single and double gang, 4 in. junction box), hanging conduit, and hanging all-thread. For more specialized use cases, accessories such as articulating mounts can be attached to the VenFlex mount.
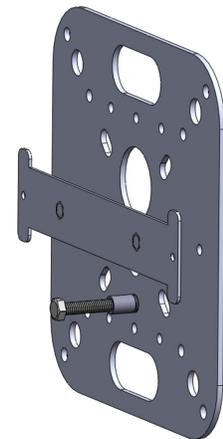

Specifications

VenFlex Mount

SKU	603857
Dimensions	6 x 6 x 0.72 in.
Weight	0.85 lb.
Mounting	¾ in. Conduit
	⅜ in. Allthread
	Surface mount (wall/ceiling) single-gang, double-gang, and 4 x 4 junction box
Material	Powder Coated Steel

Type	SKU	MFG Part #
VenFlex Mount	603857	VNV-VENFLEX
VenFlex Mount + T-bar Clip	604170	VNV-VENFLEX-T
VenFlex Mount + T-bar Clip + Swivel Mount	604171	VNV-VENFLEX-A-T
VenFlex + Swivel Mount	604172	VNV-VENFLEX-A
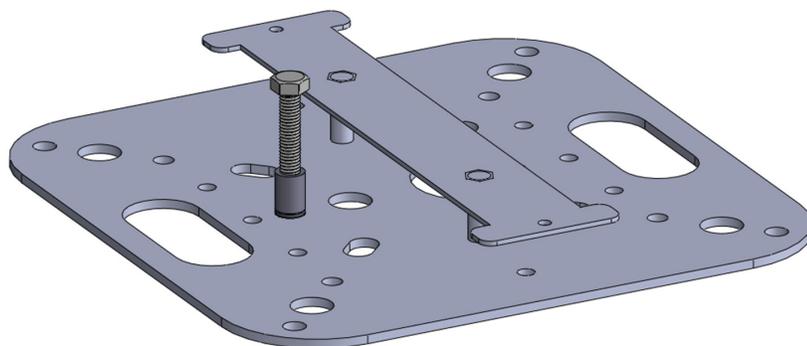

Features & Benefits

- Simplifies installation when integrating Access Points into different environments

- Includes conduit and Allthread mounting options currently unavailable from most Access Point manufacturers

- Offers additional mounting capabilities for Cisco, Aruba, Mist, and most T-Bar mounted Access Points

- Universal mounting option for T-Bar Mountable Access Points

- Can mount to angled surfaces (wall corners/vaulted ceiling) while allowing articulation of the access point, enabling better RF coverage
